LOWEST PRICE GUARANTEE

Our guarantee is simple! You always get the BEST QUALITY parts at the BEST PRICE! Show us the same brand part/item and style advertised in any current magazine, catalog or website and we'll match their current price, simple as that! This offer is available only at the time of purchase and applies only to stocked merchandise. This offer cannot be combined with any other offer. Tires, restoration services, kits, window glass, cores, reproduction batteries, certain engines, transmissions, used parts, special order parts and shipping and handling charges are excluded.

CLASSIC CHEVY GIFT CERTIFICATES

Can't decide? Classic Chevy gift certificates are the perfect gift.

THE BEST PARTS AT THE BEST PRICE

More than just a slogan, Classic Chevy is committed to providing the highest quality parts at competitive prices. We select your parts exclusively from the world's leading brand name manufacturers to provide you technically correct parts of the very best quality. (Whether you need a single repair part or are undertaking a major restoration project).

YOUR SATISFACTION GUARANTEED

Part of our commitment to you:
If for any reason you are not completely satisfied with any product, simply return it for a full refund, credit or exchange, your choice.
No hassles.

SAME DAY PROCESSING ONLY $3.95

Classic Chevy standard order processing time for U.S. orders is 24 hours. CALL us Monday thru Friday before 1:00 p.m. (EST) and request same day processing, for just $3.95 we'll process all in-stock parts through the warehouse same day. Next day delivery is also available, ask your Sales Representative for details.

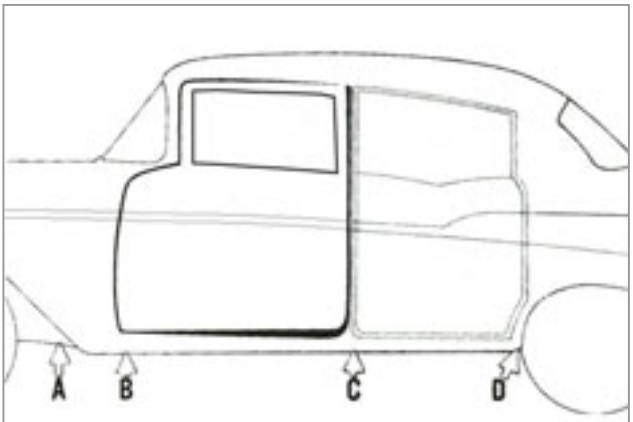
33-12	Sedan/Station Wagon/Nomad	99.99 set



On all models except convertibles - if the front door crowds at top and is widely spaced at bottom near the center pillar. To correct this add shims at point "A" or reduce shims at point "B".

There are many times when simple door adjustments will not give a satisfactory door fit. In this case, body shims added or taken away at specific body mounts will solve the problem. The Tech Book P/N 17-150 (see Manuals & Literature section) includes a complete article that outlines where to add or take away shims to correct specific door fit problems by body style.

Our Most Popular & Economical Complete Kit!

20-41

1955-57 Complete Power Front Disc Brake Kit

- Includes All Components To Convert To Power Front Disc Brakes
- Large Vented 11" Rotors
- Kit Includes Prebent Lines
- Installs With Simple Hand Tools

Installation Instructions www.ClassicChevy.com

Are you ready for a huge improvement over original, unpredictable four-wheel drum brakes? If you are, then our complete power disc kit is for you. Our comprehensive kit includes: Large 11" vented rotors, single piston calipers, caliper brackets, pads, hoses, lines, 8" dual diaphragm power booster, dual master cylinder, proportioning valve and bracket, bearings and all hardware needed to install. Spaces the wheels out 7/8" closer to fender on each side. Just bolt-on with our easy-to-follow instructions, add fluid and go. Owners of 1957's with original 14" steel wheels will need to use an aftermarket wheel or P/N 10-300 wheel in order to clear the disc brake calipers.

20-32 Diagram

1955-57 Proportioning Valves

- **Required On All Dual Master Cylinder Installations**
- **Use With Disc & Drum Brakes**

The proportioning valve is used between the dual master cylinder and the wheels to give even braking on all four wheels. Use the adjustable valve when extra fine tuning is required.

1955-57 Dual Master Cylinders

20-152
20-153

- **Improved Safety Over Single Master Cylinders**
- **Brand New, Not Rebuilt**

Original 1955-57's came with a small, single master cylinder. If that cylinder fails, all the brakes on the car fail as well. Installation of a dual master cylinder improves braking and safety dramatically. Requires use of proportioning valve and new brake lines.

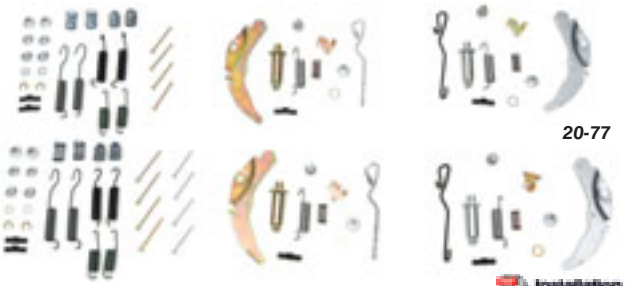
20-153	Non-Power Drums	49.99 ea.
20-151	Power Drums	49.99 ea.
20-152	Power Discs (2 Or 4 Wheel)	57.99 ea.
20-116	Non-Power Discs (2 Or 4 Wheel)	57.99 ea.

20-148

1955-57 Non-Power Dual Master Cylinder Conversion Kits

- **Updates From Original Single Master Cylinder To Dual**
- **Improves Safety**
- **Includes All Parts Needed For Conversion**

20-148-1	1955 Use w/Drum Brakes	169.99 kit
20-148-2	1956-57 Use w/Drum Brakes	179.99 kit
20-149-1	1955 Use w/Disc Brakes	179.99 kit
20-149-2	1956-57 Use w/Disc Brakes	179.99 kit



20-77

1955-57 Self Adjusting Brake Kit

- **Converts Original Drum Brakes To Self Adjusting Type**

These kits include all the hardware, springs and arms needed to add self adjusting brakes to any 55-57 passenger car. Does both sides of the car.

1955-57 Dakota Digital Dash Kits

Dakota Digital

- All LED Readouts
- Several Colors Available
- Fits Stock Dash Bezel

Bring your early Chevy into the new millennium with these vacuum fluorescent digital dash kits from Dakota Digital. These kits include a digital speedometer, bar and digital readout tachometer, oil pressure readout, water temperature readout, fuel, temperature and voltmeter readouts, turn signal and high beam indicator. The odometer includes an internal trip odometer. The speedometer is easy to calibrate to any driveline combination. Includes the electronic control box and necessary senders. Easily installed in cars with stock or updated wiring harnesses. Does require some cutting of the stock underdash wiring harness. Fits in your stock dash bezel. For automatic transmission cars, order the optional indicator sender to activate the built-in transmission indicator. (Cluster housing not included).

53-351	Smooth	45.99 ea.

How To Order Your Custom Steering Wheel:

1. Steering Wheel - Choose the style of steering wheel you wish to purchase for your classic.

2. Horn Button - Choose your horn button. If you like the exposed installation screw look, choose a "Small" horn button. For a smoother look that completely covers the center of the wheel, choose a Large horn button.

3. Leather Half-Wrap - After choosing your wheel and button, it's time to pick the wrap (unless you are buying a "Solid" wheel). The wrap is firm leather covering that attaches to the wheel on the face side. Wraps come in several colors, so choose one to match or complement your interior colors.

4. Adapter - You're almost done! All that is left is to choose the proper adapter for your steering column. Adapters are available to fit all types of original and aftermarket GM columns.

5. The last step: purchase and enjoy your custom steering wheel package!

13-100 1955-56 139.99 kit 13-101 1957 139.99 kit

13-15 Detail

The vertical window weatherstrip included in our kits are molded to the correct size, shape and contour to OEM specs!

13-18 Detail

The J-shape weatherstrip is placed on the forward door jamb near the upper hinge to channel water down into the inside of the door and out the bottom. The EPDM used in our J-shape weatherstrip is low petroleum so the glue will secure the rubber to the door properly.

13-09 Detail

Unlike the original wire retainers, our weatherstrip uses nylon push-in clips which are far easier to install and remove from the holes in the body.

13-104 Detail

Molded ends and corners are vulcanized in place for correct fit and maximum durability.

Door/Grommets/Bumpers & Plugs

One of the many items that seems to cause confusion among Classic Chevy owners is the location of grommets, bumpers, and plugs. This month's Tech Help article will educate you on this subject! Nearly all of the grommets, bumpers, and plugs are now available for Classics. These items are available either in kit form or sold separately. The following pages contain diagrams showing the locations and part numbers of all of the grommets, bumpers and plugs that we carry.

The purchase of a firewall forward and a body grommet set will cover most all of the grommets, bumpers, and plugs required except glass, steering and accessories grommets. The following is a breakdown of the contents of those kits. If you need other grommets, bumpers, plugs, drain tubes, or seals that are not contained in these kits, they must be purchased separately.

Body Grommet Set Contents

1955-57 Small Block Side Motor Mount Kit

- Side Mounts Any 1958-Newer Small Block Chevy
- Unique Design Fits All Frame Types & Body Styles
- Bolts-In With No Welding

Our unique engine side mounts put your Small Block in the stock location by using the side mount bosses cast into the engine. No additional parts are needed except for a rear transmission crossmember P/N 19-03, P/N 19-153 or P/N 19-158.

18-02	149.99 kit

1955-57 Big Block Engine Side Mount Kit

- Bolts On, No Welding Required
- Requires Drilling
- Moves Engine Forward 2-1/4' For Proper Firewall Clearance
- Mounts Any Mark IV, V Or VI Big Block Chevy Engine
- Does Not Require Use Of "Mid" Mounts
- For Use With Rear Crossmember P/N 19-153
- Use With P/N 24-56 Headers Or Stock Manifolds
- Allows Removal (Not Required) Of Stock Transmission Frame Horns For Improved Ground Clearance
- Includes Brackets, Hardware, Grommets & Instructions

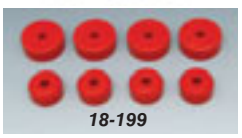
18-271	187.99 kit

1955-57 V8 Front Motor Mounting Kit W/Polyurethane Grommets

18-153

- Replacement Parts
- Improves Engine Stability Over Rubber Mounts

Includes all hardware and poly grommets needed to front mount a small block V8 in your classic. Requires use of the front angle mounts P/N 18-08. Will also front mount a 235 6-cylinder engine.



18-199

18-153	Complete Kit w/Black Grommets	69.99 set
18-323	Complete Kit w/Red Grommets	69.99 set
18-198	Black Grommets Only	25.99 set
18-199	Red Grommets Only	25.99 set

1955-57 V8 Front Angle Mounts

- Reproductions Of Original
- Bolts To Front Of Engine

18-08	28.99 pr.

1955-57 LS Engine Side Mount Adapters

- Bolts To All LS1, LS2, LS6 And LS7 Engines
- For Use With P/N 18-02 Side Mounts
- Billet Aluminum
- Stainless Steel Hardware Included

18-209

1955-57 Big Block Engine Installation Kits

- Bolt-On Big Block Power
- No Firewall Modifications Necessary
- Use Your Stock Steering Linkage

Our kits include the brackets and hardware needed to install a big block Chevy engine in your 1955-57 passenger car. Our bolt-in kit moves the engine forward 2-1/4" to allow the use of tall valve covers and a HEI distributor. This kit requires the use of a short water pump. The radiator must be moved to the 6-cylinder position in front of the core support top bar. Does not include rear transmission crossmember P/N 19-03.

18-200	Automatic	399.99 kit
18-209	4-speed	419.99 kit
18-211	Forward Brackets Only	169.99 kit

18-501

1955-57 LS1, LS2 And LS6 Engine Installation Kits

- Includes All Componen Needed To Install An LS Engine
- Works With Automatic Or Manual Transmissions
- Includes Cast Aluminum Oil Pan, Engine Side Mount Kit, Polished Engine Side Mount Adapters, Headers & Transmission Crossmember Kit
- SEMA Best Engineered New Product Award Winner

18-79

207-42

1955-57 Alternators

- Replacement Parts
- Updates Your Charging System
- 70 Amps Output

Original generators very often can't keep up with the addition of electronic accessories so common on today's classics. An alternator will upgrade your system and keep your battery fully charged. Use the internally regulated alternator if you wish to retain the stock indicator light. One-wire alternators will not operate the indicator light.
For Wiring harnesses, see pages 242-250.

18-79	Alternator w/Internal Regulator	69.99 ea.
207-100	Chrome Alternator w/Internal Regulator	119.99 ea.
18-45	One-Wire Alternator	69.99 ea.
207-42	Chrome One-Wire Alternator	119.99 ea.

22-165

1955-57 Small Block Alternator Kits

18-18	1956-57 V8	8.99 ea.
18-43	1956-57 Oil Filter Valve Assembly (Bolts To Block)	38.99 ea.

1956-57 V8 Spin-On Oil Filter Conversion Kit

- Replacement Parts
- No More Messy, Leaky Canisters
- Requires Use Of Original Valve Assembly P/N 18-43
- Bolts-On In Minutes

Our conversion kit eliminates the old canister type filter and replaces it with a modern, spin-on filter. Greatly reduces the difficulty of changing the oil in your 265 or 283 c.i. engine.

18-70	Conversion Kit (Includes Filter)	25.99 kit
18-71	Spin-On Filter	6.99 ea.

1955-57 Small Block V8 Starter Support Bracket

- Reproduction Of Original
- Attaches Front Of Starter To Block

18-76	9.99 ea.

1955-56 Starter-To-Body Ground Strap

- Reproduction Of Original

18-67	7.99 ea.

1955-57 Powermax High-Torque Gear Reduction Starter

- Replacement Starter
- Eliminates Hot-Starting Problems
- Compact, Lightweight Design – Just 7-1/2 lbs
- 160ft/lbs Torque
- 4.4:1 Gear Reduction
- One Starter Fits 153 Or 168 Tooth Flywheel

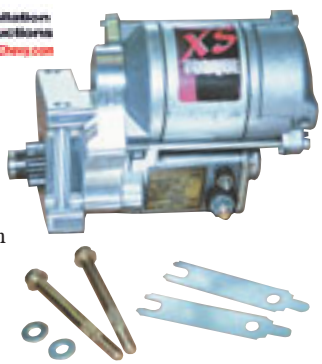
18-226 149.99 ea.

1955-57 V8 Rebuilt Starter

- Replacement Part
- For Use On 265 & 283 V8's With Original Type Transmissions

18-65 84.99 ea.

1955-57 High Torque Starter



- Replacement Parts
- Eliminates Hot Starting Problems
- Fits Small & Big Block V8's
- For 168 Tooth Flywheel

High-power gear reduction design will turn over even that most stubborn engine. Bolts in place of your current starter. Fits 1957-up engines with block mount starters.

18-213 279.99 ea.

1955-56 Starter Solenoid

- Replacement Solenoid
- Fits 1955-56 V8 Starters With External Lever-Type Starter

18-425 69.99 ea.

1957 Starter Solenoid

- Replacement Solenoid
- Also Fits 1955-56 Replacement Starters
- Fits 6-Cylinder & V8 Starters

18-62 39.99 ea.

V8 Starter Heat Shield

- Insulates Starter From Heat
- Helps Hard-Starting Engines
- Prolongs Starter Life
- Fits AC Delco Style Starters

18-12 24.99 ea.

1955-57 Generator Brackets

- Reproductions Of Original

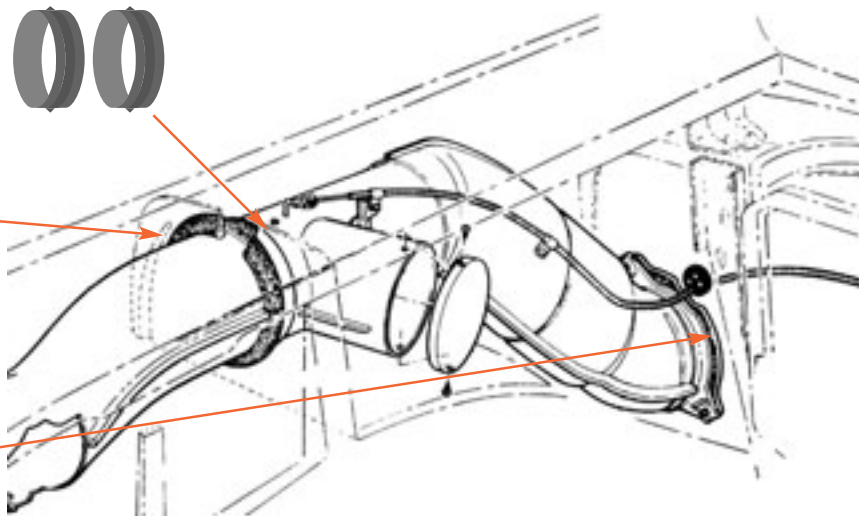
1957 Front End Seal Location

#03-26 Air inlet sleeve
fits joint between forward and rear air duct both sides.

(7F)

#05-17
Inner fender air duct seal. Fits the hole in the inner fender that forward air duct passes through to prevent squeaking. Installs originally with six staples each side.

Included in #03-22
Rear air duct to firewall seals, glued to the firewall on both sides.



#03-21
Air inlet hose to blower motor. The flexible duct between the inner fender duct and the blower motor on deluxe heater cars.

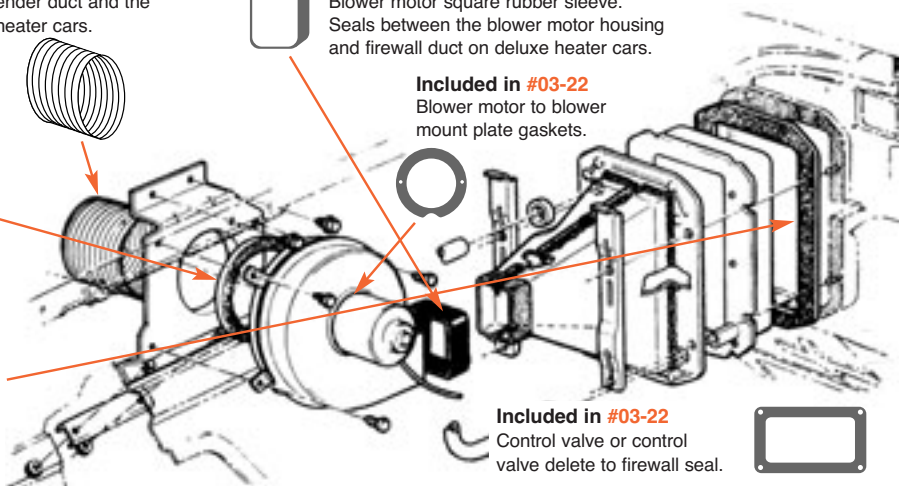
(7G)

Included in #03-22
Blower housing to inner fender bracket seal on all deluxe heater cars.

Included in #03-22
Firewall to firewall plate seal. On deluxe heater cars, it goes between the heater car bracket and firewall. On standard or no-heater cars, it goes between the firewall plate and the firewall.

#05-30
Blower motor square rubber sleeve. Seals between the blower motor housing and firewall duct on deluxe heater cars.

Included in #03-22
Blower motor to blower mount plate gaskets.

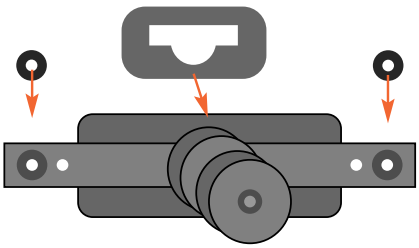


Included in #03-22
Control valve or control valve delete to firewall seal.

#05-20 Wiper drive seals
The small circular seals are installed behind the drive on outer attaching holes to seal against the firewall. The large center seal installs wide side down behind the drive to seal between the drive and firewall.

(7H)

Rear view. The center drive is installed wide side down.



Hood to cowl seals

#13-01 1955
Uses nine push-in clips (included) to attach to the top of the cowl.

#13-03 1957
Uses five screw-in retainers (included) to attach to the top of the cowl. The phillips screw and clip traps seal to the top of the cowl at five locations. Trim the ends of the seal once installed.

#13-02 1956
Uses eleven push-in clips (included) to attach to the top of the cowl. Install with the open side to the rear and the wide side down. The clips are installed inside pushed through the rubber into holes in the cowl. The clips are covered by the top flap once installed. Trim the ends of the seal once installed.

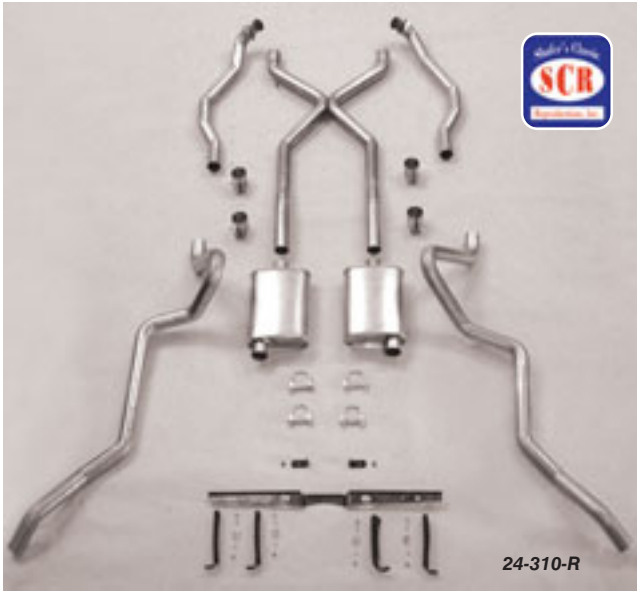
† For use with our small block headers (P/N 24-51) or (P/N 24-54) or our big block headers (P/N 24-52) and CCI's big block installation kit P/N18-200 or 18-209.

Tech Tip

Flowmaster or turbo? *Both types of mufflers will give you improved performance on the street. For a more mellow exhaust note, choose turbo. For a louder, more commanding tone go with Flowmaster*



1955-57 SCR "X" Small Block 2-1/2" Performance Dual Exhaust Systems For Use With 2-1/2" Rams Horn Exhaust Manifolds

- Features Corvette-Style X Crossover System
- Bolts On, No Welding Required As With Other Systems
- Places Mufflers Behind Passenger Compartment For Reduced Noise Inside Car
- An Excellent Performance Upgrade
- High Quality Mandrel Bent Pipes
- Fits All Except Wagon & Convertible
- Features Unique Rear Cross Brace Support System
- Includes All Clamps & Hangers

Calyx® Exhaust Manifold Dressing

To keep your cast iron exhaust manifolds looking concours-prepared perfect, use Calyx® Manifold Dressing. It applies with a flannel cloth and polishes to a silver shine in seconds. Application of the dressing does not require removal of the manifolds. Calyx® Manifold Dressing will not burn and is non-toxic. One container, 3 ounces, will do 3 sets of cast iron exhaust manifolds.

1955-57 Headlight Relay & Wiring Kit

NEW

- Prevents Headlight Switch Overload & Failure When Using Halogen, Xenon & HID Headlights
- Easy To Install
- Includes Wiring, Relays & Instructions

22-268		79.99 kit

Do Your Headlights Go Off And On?

Stock headlight switches are rated up to 15 amps. Halogen headlights draw up to 18 amps while Xenon and HID lights can draw even more. The higher amperage draw of updated headlights will often cause the breaker points on an original or reproduction headlight switch to open. This is a built-in safety provision to prevent the headlight switch from overheating and burning up. Unfortunately, this safety provision will also cause your headlights to go out! A bit scary if you are driving at night. Our **P/N 22-268** headlight relay and wiring kit will solve the problem.

1955-57 Pre-Assembled Door & Quarter Interior Panel Kits

- **Reproductions Of Original**
- **Specify Color When Ordering**

These kits include: the pre-assembled front and rear doors and side panels, door edge bands, front armrest covers (1955-56 Bel Airs), rear armrest covers (2-door hardtops and convertibles) and kick panels. Interior side panel stainless is not included. For all 1955 Nomad and 1956 Bel Air orders, you must send your cleaned front armrest bases to Classic Chevy or purchase new armrest bases along with your kit. (Wagon and Nomad kits include the rear wheel well covers and cargo side panels.)

1955-57 Interior Package Kits

- **Reproductions Of Original**
- **Specify Color When Ordering**

The non-convertible kits include: seat covers, pre-assembled door and side panels, carpet, headliner, sunvisors, kick panels, package tray and windlace. The convertible kits include: seat covers, pre-assembled door and side panels, carpet, top boot, sunvisors, kick panels and windlace. Interior side panel stainless is not included, must be purchased separately. Nomad and wagon kits include the rear wheel well covers and cargo side boards, but not the cargo floor linoleum. For all 1955 Nomad and 1956 Bel Air interior orders, you must send your cleaned front armrest bases to Classic Chevy or purchase new bases along with your kit.

07-220 Complete Reproduction 1957 Bel Air 2-Door Hardtop Interior Package

This complete, correct, reproduction interior package for your '57 Bel Air hardtop is available in all seven original trim codes.

Included:

Pre-sewn Front and Rear Seat Covers - Made from correct heavyweight vinyls and cloud pattern cloth with vinyl beading at all seams. Original style cloth listings are attached for easy installation. These listings accept the original listing wires that should be removed from your original covers. Eight new silver seat buttons are also included for the backrest inserts. Seat side shell vinyl is also included to cover your original front seat side shells. New seat foam 07-100 front and 07-113 rear is recommended for proper seat firmness and cover fit.

Pre-Assembled Door & Quarter Side Panels - New heavy card stock panels complete with all new metal edge nail bands covered with vinyl and cloud cloth material. Door and window handle holes are pre-punched in the cardboard but not through the material in case power windows are alternate lift systems are used. The 4-piece vinyl windlace to complete the door openings are also included. A pair of new correctly colored kick panels are also included with the side panel kit. New vinyl rear armrest covers are also included to install on your original metal rear bases. The side panel cardboard is pre-punched for the side panel stainless trim which should be reused from your original panels. If yours is missing or damaged, full sets are available as P/N 07-72.

Carpet - Correct nylon loop weave carpet in the original color with proper heel pad and vinyl edge binding. Also includes jute underlay already glued to the back of carpet and dimmer switch grommet. Carpet is pre-cut and molded yet is generously cut at the door/sill plate area so you have ample material to trim down to fit your car properly.

Headliner - Pre-sewn pyramid pattern vinyl with cloth listings to accept original wire supports.

Sunvisors - No need to try and recover your originals as these are already sewn onto new boards and rods with new binding and chrome end trims to match your new headliner. Install using your original chrome brackets or replace with P/N 02-35.

Package Tray - A new correctly colored rear package tray pre-cut ready to install.

Front door armrests are not included in the kit and should be ordered separately. Proper colors are all available:

1955-1957 VIN Numbers (Vehicle Identification Number)

Vehicle Identification Numbers

This stainless steel plate is spot welded to the driver's side "A" pillar post. It is 7/8" wide and 3-1/4" long. It contains four valuable pieces of information.

A.

One or two letters are stamped. If there are two, the first letter will always be a V. V designates a car equipped with a V8 engine. The other letter identifies the series of the car (Bel Air, 210, 150).

6-Cylinder	V8
A - 1500 (150 except Delivery)	VA - 1500 (150 except Delivery)
B - 2100 (210)	VB - 2100 (210)
C - 2400 (Bel Air)	VC - 2400 (Bel Air)
D - 1508 (Sedan Delivery)	VD - 1508 (Sedan Delivery)

B.

Two numbers are stamped. These numbers designate the year of the car.
55 - 1955
56 - 1956
57 - 1957

C.

A single letter is stamped. This letter designates the Chevrolet assembly plant where the car was built. This plant may differ from the Fisher plant listed on the cowl tag.
A - Atlanta, GA
B - Baltimore, MD
F - Flint, MI
J - Janesville, WI
K - Kansas City, MO
L - Los Angeles, CA
N - Norwood, OH
O - Oakland, CA
S - St. Louis, MO
T - Tarrytown, NY

D.

This group of numbers represents the serial number of the car. Lets use VIN example VC55N063921 we can calculate about when the car was made. Go to table 1 for 1955 cars and then to the Norwood (N) line our serial number is 0063921 or 63921. The last car built in Jan 1955 was 55388 and the last car in Feb 1955 was 68985. So, our car was built sometime in February 1955. This information is especially helpful when trying to locate properly dated engines, rear ends, glass, etc for your restoration.

Chevy Tri-Five Custom Interiors Book

NEW

The first in a series of books featuring the work of Ron Mangus, well-known for award-winning custom hot rod interiors. This book features four, two-page photographic spreads for beautiful, custom, award-winning 1955, 1956, and 1957 Chevy hot rods. Detailed photographs of the interior features accompanied by Rons captions explain the ideas behind the interiors - the design process, color and material selections, unique features, challenges, sound system solutions, and some of the creative problem-solving needed to work out the design. Soft cover, 160 pages, 8-1/4" x 10-7/8", perfect bound.

17-216	27.99 ea.

How To Restore Your 1957

This book follows, documents and photographs the complete restoration of a 1957 convertible and a 1957 hardtop. It is full of original details, restoration and painting procedures, all from the frame up. An excellent resource for all classic restorers, from all original to customizers. Most information also applies to 1955-56 cars and all other body styles as well. It includes hundreds of B/W photos and helpful diagrams. 232 pages, 8-1/2 x 11, perfect bound.

17-19 **26.99 ea.**

How To Keep Your Collector Car Alive Book

When you own a collector car, you want to spend a little time in the garage and a lot of time out on the road enjoying your ride. How to Keep Your Collector Car Alive will help you to do just that. Author and car collector Josh B. Malks offers practical instructions, handy tips, and down-to-earth solutions to the day-to-day challenges of owning a classic car in the modern car world. Whether it's choosing a motor oil, converting to modern tires, safety in your garage, or maintaining older electrical systems, How to Keep Your Collector Car Alive has the answers to your questions. With color photos and useful diagrams throughout, as well as information on the latest products and maintenance techniques, this handy reference is an essential tool for all collector car owners. 160 pages, 8-1/2" x 10-3/4", perfect bound, soft cover.

- **Built-In Transmission Cooler With Fittings In Stock Bottom Tank Location**
- **Powerful Dual 10" Electric Fans**
- **Kit Includes: All-Aluminum Radiator W/Cap, Dual Fans W/Shroud, Fan Relay & Wiring Kit, Overflow Tank, Air Conditioning Condenser For 134A Refrigerant**
- **Requires Hoses P/N 18-26 & 18-308**

This Chevy crossflow radiator kit will solve all of your cooling dilemmas. The radiator itself is made from 2 rows of 1-1/4" horizontal aluminum cooling tubes custom made for Classic Chevy by the best name in the business; Griffin Radiator. Cross-flow construction gives far greater cooling surface area than traditional down-flow radiators. The construction of this radiator will cool down the hottest small block or big block Chevy engine. The radiator core, straps and tanks are welded together for maximum durability. Automatic transmission cooling line fittings are in the stock location in the bottom tank, so readily available cooling lines may be used. No need for you to have any custom parts made! This complete kit includes a pre-mounted air conditioning condenser compatible with Vintage Air and other aftermarket air conditioning systems. Powerful dual 10" electric fans totaling 2780 CFM are secured to the back of the radiator with an all-aluminum shroud. All components are pre-mounted for ease of installation. Mounting is easy; just bolt the unit to a stock or tubular V8 core support. The unit is flanged so that it is positioned in front of the core support top bar. Use molded radiator hoses P/N 18-26 & 18-308 for a finished look except for LS and LT engines. Our Chevy Griffin aluminum cross-flow radiator kit is sure to keep your classic cool, no matter the displacement or horsepower!

18-309	All Except LS1, LS2, LS6 & LT1		1399.99 kit
18-370	LS1, LS2 & LS6 Engines		1399.99 kit
18-371	LT1 Engines		1399.99 kit

Each kit also available fully polished.

1955-57 Griffin Aluminum Cross-Flow Radiator

- Replacement Radiator
- 2 Rows Of Horizontal 1-1/4" Tubes Gives Best Cooling Possible
- Increased Surface Area Over Down-Flow Radiators
- Bolts In The 6-Cylinder Position To Stock V8 Or CCI Tubular Core Supports
- Built-In Transmission Cooler With Fittings In Stock Bottom Tank Location
- Radiator 18-310 Requires Hoses P/N 18-26 & 18-308

18-310	Except LS1, LS2, LS6, & LT1 Engines	649.99 ea.
18-372	LS1, LS2 & LS6 Engines	644.99 ea.
18-373	LT1 Engines	644.99 ea.

These radiators also available fully polished. Call or visit our website.

1955-57 Griffin Aluminum Cross-Flow Air Conditioning Condenser

- All Aluminum Construction
- For HFC134A Or R12 Refrigerant
- Compatible With Vintage Air & Other A/C Systems

18-314		189.99 ea.

This condenser also available fully polished. Call or visit our website.

1955-57 Griffin Cross-Flow Radiator Kit w/Mechanical Fan Shroud

- The Maximum Cooling Money Can Buy
- Bolts To Stock Or Aftermarket Radiator Core Supports
- Complete Kit With Radiator, Cap, Air Conditioning Condenser, Overflow Tank, Fan Shroud & Wiring
- Core Size 22-1/2" Wide x 16" High

18-342		1399.99 kit

This kit also available fully polished. Call or visit our website.

1955-57 Cross-Flow Radiator Kit With CCI Tubular Core Support & Filler Panels

- 2007 SEMA Global Media Award Winner
- Complete Kit Includes The Polished Griffin Cross-Flow Radiator, Fan & Condenser Package P/N 18-309 Or 18-309P
- Includes CCI Tubular Core Support
- Includes Precut/Predrilled Bowtie Radiator Filler Panels
- Save Money By Ordering A Kit!
- 2007 SEMA Global Media Award Winners

18-301

1955-57 Griffin Aluminum Down-Flow Radiators

- **Cools Down Even The Hottest Engines**
- **All Aluminum**
- **In-Line Construction For Best Air Flow**

Our radiators are available in two series: Pro and HP. The Pro series features large 1" diameter cooling tubes for normal to moderate cooling needs. The HP series features 1-1/4" diameter tubes for greater cooling needs. V8 position radiators (flanges on radiator point to the front) mount behind the upper core support bar on stock V8 core supports. 6-cylinder position radiators (flanges on radiator point to the rear) mount in front of the upper core support bar on stock 6-cylinder core supports. These radiators bolt to a stock core support or CCI's tubular core support. Uses stock or aftermarket radiator cap.

18-300	1955-56 Pro Series w/1" Tubes, 6-Cylinder, Position	539.99 ea.
18-301	1955-56 HP Series w/1-1/4" Tubes, 6-Cylinder Position	634.99 ea.

18-408

1955-57 6-Cylinder Position Aluminum Down-Flow Radiator w/ Fan Shroud & Electric Fan Kits

- Provides Maximum Cooling Using A Down-Flow Radiator
- Complete Replacement Kit Includes Performance Aluminum Down-Flow Radiator w/1-1/8" Tubes, Aluminum Shroud, Two 10" 1400 CFM Electric Fans, Dual Relay Wiring Harness & Temperature Sender
- Works With All Short Or Long Water Pump Small Blocks
- Works With All Short Water Pump Big Blocks
- Requires 6-Cylinder Radiator Support

18-406	1955-56	689.99 kit
18-408	1957	689.99 kit

1955-57 Griffin Aluminum Cross-Flow Dual Fans With Shroud

- For Use With Radiator P/N 18-310
- Includes 2-10" 2780 Total CFM Electric Fans For Maximum Air Flow
- Fans Contained In Aluminum Shroud

18-311	369.99 ea.

1955-57 6-Cylinder Position Down-Flow Radiator Fan Shroud & Electric Fan Kit

- Provides Maximum Cooling Using A Down-Flow Radiator
- Kit Includes Aluminum Shroud, Two 10" 1400 CFM Electric Fans, Dual Relay Wiring Harness & Temperature Sender
- Works With All Short Or Long Water Pump Small Blocks
- Works With All Short Water Pump Big Blocks
- Requires 6-Cylinder Radiator Support & Radiator Or V8 Radiator Using P/N 18-44 Relocation Kit

18-407 — 439.99 kit

1955-57 6-Cylinder Position Down-Flow Radiator Fan Shroud For Use With Electric Fans

- Provides Maximum Cooling Using A Down-Flow Radiator
- Aluminum Shroud Accepts Two 10" Electric Fans
- Works With All Short Or Long Water Pump Small Blocks
- Works With All Short Water Pump Big Blocks
- Requires 6-Cylinder Radiator Support & Radiator Or V8 Radiator Using P/N 18-44 Relocation Kit

18-409 — 159.99 ea.

1955-57 Reverse Rotation Clutch Fan Blade

- For Use With 1993-1997 LT1 Engines With Aftermarket Belt Driven Water Pump
- 18" Diameter
- Use With Clutch P/N 18-318

18-420 — 49.99 ea.

1955-57 Reverse Rotation Clutch Fan Kits

- For Use With 1993-1997 LT1 Engines With Aftermarket Belt Driven Water Pump
- Includes 18" Reverse Rotation Fan, Fan Clutch, Spacer & Hardware
- Cools Engine Yet Reduces Fan Noise At Higher RPM's
- Radiator Must Be In The 6-Cylinder Position In Front Of Core Support
- For Use With Fan Shroud P/N 18-307

18-421	For Short Water Pump	129.99 kit
18-422	For Long Water Pump	124.99 kit

1955-57 Heavy Duty 6 Blade Fan

- Replacement Part
- 17" Diameter
- 6 High-Pitch Blades For Maximum Air Flow
- Use With All Types Of Engines
- Requires Spacer #51-18 On Cars Equipped With Late Model Power Steering

51-04 — 54.99 ea.

1955-57 Griffin Aluminum Cross-Flow Radiator Engine Fan Shroud

- For Use With Engine Driven Fans & Radiator P/N 18-310
- Will Work With Fans Up To 17" Diameter
- Bolts-On

18-316 — 159.99 ea.

1955-57 ABS Fan Shrouds

- For use with All Down Flow Radiators

These plastic fan shrouds are designed to improve engine cooling by improving airflow across the radiator when using a water pump (not electric) driven fan. Installs between the radiator mounting flanges and the core support.

18-108	V8 Position	99.99 ea.
18-139	6-Cylinder Position	99.99 ea.

18-307

1955-57 Aluminum Fan Shrouds

18-306

- Greatly Improves Radiator Efficiency
- Durable Stamped Aluminum
- For use with All Down Flow Radiators

Our one-piece shrouds bolt in with no modifications needed to your radiator or core support. Some trimming may be needed on cars equipped with power steering and AC to clear pulleys and belts.

18-306	V8 Position	119.99 ea.
18-307	6-Cylinder Position	119.99 ea.

1955-57 Fan Spacers

51-18

- Fits Between Water Pump Pulley & Fan
- Required On Cars Equipped With Late Model Power Steering
- Aluminum With Steel Hardware

51-18	1/2"	15.99 ea.
18-320	1"	19.99 ea.
18-319	2-1/4"	24.99 ea.

1955-57 Custom Chrome Louvered Radiator Cover

- Custom Cover
- Easy Slip-On
- For All Downflow Radiators (Except 1957 6-Cylinder)

211-51	179.99 ea.

1955-57 Aluminum Radiator Support Bracket Kit

- Polished Aluminum
- Beautifies An Otherwise "Ugly" Area

This bracket kit with hardware replaces the original lower radiator core support cradle to frame hardware. Easy to install, does not require removal of core support or radiator to install.

54-93	25.99 kit

1955-57 Griffin Cross-Flow Dual Fan Relay & Wiring

- Use With Fans P/N 18-311
- Turns Fan On At 185 Degrees

18-312	149.99 kit

1955-57 17 lb Griffin Radiator Cap

- Replacement Cap
- Fits All Radiators

18-315	23.99 ea.

1955-57 Replacement 7 lb Radiator Cap

- Replacement Part
- Close To Original In Appearance
- 7 Pound Rating

18-31	11.99 ea.

1955-57 Adjustable Electric Fan Controller

- Fully Adjustable To Turn Fan On/Off At Desired Engine Temperature
- Helps Prevent Overheating, Improves Air Conditioner Efficiency
- Use With Any Electric Fan
- Includes Sender With Adapters For 1/2", 3/8", 1/4" And 1/8" Pipe

22-203	154.99 ea.

1955-57 AC 7 lb Radiator Cap

- Reproduction Of Original
- 100% Correct For Judging With AC 549 Stamping

18-179	37.99 ea.

1955-57 Aluminum Radiator Cap

- Polished Aluminum With Chevy Bowtie Logo
- 16 Pound Rating

209-90	29.99 ea.

1955-57 Radiator Cap With Temperature Gauge

- Replacement 16lb Cap
- Indicates Engine Coolant Temperature At A Glance
- Great To Double Check Inaccurate Dash Gauges/Indicator Lights
- Works With All Radiator Types Including Those With A Recovery Tank

18-335		37.99 ea.

1955-57 Powergrip Radiator & Heater Hose Shrink Clamps

18-330

- Replacement Clamps
- Eliminates Ugly Hose Clamps
- Easily Installs With A Blow Dryer
- Fits Big Block & Small Block Engines
- Cleans Up That Custom Engine Compartment

18-330	5/8" Heater Hose	3.99 ea.
18-331	3/4" Heater Hose	4.99 ea.
18-332	1-1/2" Radiator Hose (Fits All Uppers & Radiator End Of Lower)	7.99 ea.
18-333	1-3/4" Radiator Hose (Fits Water Pump End Of Lower)	6.99 ea.

1955-57 1-5/8" Diameter Freeze Plug With 1/2" Pipe Thread (NPT) Fitting For Use With Temperature Sender

NEW

- Replacement Billet Aluminum Freeze Plug Allows Installation Of Water Temperature Sender In Freeze Plug Block Hole
- Can Be Bushed Down For Use With 1/8", 1/4" & 3/8" Pipe Senders
- Will Fit All Small Blocks & MK V & MK VI Big Blocks
- Can Be Installed In Place Of Original Freeze Plugs On Side Or Front Of Block
- Can Also Be Used To Install Petcock Drain
- Works With All Senders & Petcocks With 1/2" NPT

18-463		19.99 ea.

1955-57 Modified Radiator Hoses

18-202

- Use With Down-Flow Radiator Mounted In 6-Cylinder Position
- Fits Small Block Or Big Block V8's
- Will Not Fit 1957 6-Cylinder Radiators With Offset Neck

18-201	Upper	13.99 ea.	18-202	Lower	17.99 ea.

1955-57 Vintage Air Gen IV Electronic Servo Air Conditioning Units For Use With Griffin Cross-Flow Radiator And Serpentine Pulleys

- The Best Cooling Available For Your Classic
- Condensor Not Included
- Compressor Includes 7-Groove Serpentine Pulley
- Sure-Fit Systems From Vintage Air
- Includes Air Conditioning & Heater
- Works With Original Deluxe Heater Panel
- Use With Small Or Big Block V8

Our bolt-on air conditioning kit includes: evaporator, receiver/dryer, compressor, hoses, lines, vents, ducts, and all hardware. These kits do not include belts or pulleys, sold separately. You must supply your own serpentine-style compressor bracket. Simply remove your original heater system and bolt our unit and components in place. The in-car components fit up behind the dash. These are not "hang-on" kits. Our systems use HFC-134A refrigerant.

1955-57 Blue-Dot Taillight Lenses

- **Replacement Parts**

There's nothing quite as neat as following an old Chevy at night equipped with blue dots. Blue dot lenses give that bright glow that is unmistakable. A super easy to install custom touch, very popular in days gone by.

Which One Should I Buy?

Use the handy guide below to help choose the right power steering system for your classic:

1. The overall best aftermarket steering system you can buy. Includes all items needed to complete the installation. This kit will give you better steering and road feel than any other system on the market.
Major Advantage: Best steering and road feel.

2. A good second choice to the rack and pinion. It retains the original steering linkage and pitman arm. Road feel is second only to rack and pinion.
Major Advantage: Less expensive and fewer modifications to car required.

3.
Major Advantage: Same as #2 above.

4. Same as item #1 but does not include the steering pump, pump bracket or pulleys (you must supply).
Major Advantage: Best steering and road feel.

5. For use with factory power steering cars. Eliminates the stock generator driven pump.
Major Advantage: Eliminates leaky original pump, allows conversion to alternator.

6. Most closely duplicates the original power-assist steering. Pump not included; must use an original pump or #5 above.
Major Advantage: Requires least amount of modification and looks close to original.

5.

1955-57 Late Model Pump Kit For Original Power Steering

- Replacement Bolt-On Kit
- Installs New Style Pump For Use With Original Power Steering
- Allows You To Eliminate The Original Generator & Pump & Upgrade To Alternator

1955-57 670 Power Steering Box Covers

- High Quality Billet Aluminum
- Replaces Stock Upper Cover
- A Great Dress-Up Item For Custom Cars
- The 670 Is Also Known As The 500 Series Box

53-314 Brushed 56.99 ea. 53-315 Polished 69.99 ea.

Tech Tips

When installing the 605, 670 or rack and pinion steering conversions, a different set of alignment specs must be used to avoid wandering and over-sensitive steering feel:

	1955	1956	1957
Caster Degrees:	+2-1/2 to 3-1/2	+2-1/2 to 3-1/2	+2-1/2 to 3-1/2
Camber Degrees: Pass-	-1/4	-1/4	-1/4
Driver-	0	0	0
Steering Axis Inclination Degrees:	3-1/2 +/- 1/2	3-1/2 to 4 1/2	3 to 4
Toe-In Inches:	1/8 to 3/16	1/8 to 3/16	1/8 to 1/4

1955-57 605 Box-To-Frame Bracket

- Use When Building Your Own 605 Box

1955-57 Classic Update Wiring Harness Kits

- Complete Updated Wiring For Entire Car
- Includes ATO Fuse Panel
- Ideal When Building A Car With Custom Accessories

Our complete wiring kits include extra wiring capabilities for updates such as digital or custom dashes, updated wiper kits, air conditioning, late model steering columns, stereos and more. All wiring is color coded and labeled for easy, fool-proof routing and hookup. Includes all wiring, pigtails, ends, hardware and instructions. 1955-56 owners should also order the Classic Update back-up light kit P/N 22-152 if backup lights did not come on your car. 1957 owners may use their stock backup wiring harness. This kit may be used on any body style and series.

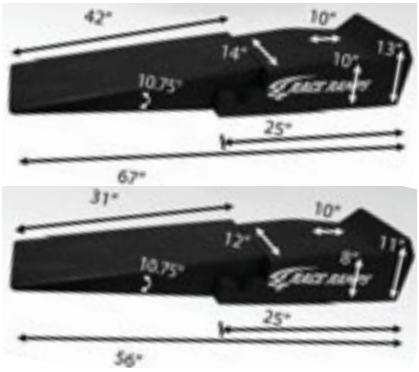
See Website For Complete Line of Ramps

Race Ramps



- Accommodates Low Front Ends
- Holds 1500 Lbs. Each
- Lightweight Polystyrene 1-Piece and 2-Piece Construction
- 2-Piece Design Allow Easier Side Access Under Car

Race Ramps allow you to get under your car quickly, safely and without any frustrating hassles. Race Ramps will not slide across your garage floor, dig into your asphalt driveway or scratch your painted floors. They will raise your car 8" and you never have to worry about rust. Another beauty of Race Ramps will accommodate tires up to10" in width. Race Ramps are lightweight, easy to transport and they are supplied with straps for easy carrying and you can use the straps to hang them on the wall when you're done.

- Works Alone Or WIth Any Race Ramp
- 6" Long x 4" High x 5" Wide
- Made Of Solid Rubber
- Extra Grip Bottom

88-0125-1 14.99 ea.

Flat Stoppers

Cars that sit for months in one place will create flat spot tires, it's a fact. You can prevent tire flat spotting by placing Flat Stoppers underneath your tires to insulate them from temperature extremes. The special lightweight polystyrene construction eliminates uneven pressure points regardless of how long your car sits. Put an end to ruining expensive tires.

88-0122 Set of 4 259.99 set

- **Safe, Reliable, Trouble Free Battery Care**
- **Developed To Maintain Batteries Not In Constant Use Or Storage**

Automatically switches off after fully charging to storage charge constantly monitors the battery without the damaging effects of trickle charging. The initial charge cycle of the Battery Tender brings a battery to a full charge at approximately 14.4 volts about 1.25 amps. After a full charge is reached, the Battery Tender automatically converts to a float charger and monitors the battery at 13.6 volts. Although there is a constant voltage of 13.6 volts being applied to the battery, it is doing so at very little or no current. What this means to the user is safe, reliable, trouble free battery care. Equipped with 6' power cord, and 6' output cord with clamps, 5 year warranty.

88-0160-1 **59.99 ea.**

Battery Tender Waterproof 800 Charger

- **Charges Battery & Maintains Proper Storage Voltage Without Damaging Effects Caused By Trickle Chargers**

The Battery Tender Waterproof 800 is perfect for outdoor use. Its circuitry is totally epoxy encapsulated so it will perform even while submersed under water. The unit packs 800 milliamps of pure charging power yet it is no larger than the size of a standard computer mouse. You can use Battery Tender anywhere in the world (100-240VAC 50/60 Hz) and the unit is reverse polarity protected, spark proof and it complies to international safety standards (UL/CSA/CE). Like all Battery Tenders, it has a microprocessor (brain) that controls the charging of each battery so that your battery doesn't get "cooked" the way conventional chargers can do. This lightweight unit weighs only 1 lb. and carries a manufacturers' 2 year warranty.

88-0161-1 **44.99 ea.**

Schumacher Battery Companion

- **1.5 amp Charger And Maintainer**
- **Automatically Switches From Full Charge To Float-Mode Monitoring**
- **LEDs Indicate: Charging, Charged And Trouble**
- **Reverse Polarity**

Unique automatic battery charger maintains both 6 and 12 volt batteries keeping them at full charge using float-mode monitoring. Perfect for charging small batteries. Great for maintaining small and large batteries kept in storage-motorcycles, classic cars, RVs, boats. Quick-disconnect Harness, snaps either connector into place in seconds.

88-0159-2 **44.99 ea.**

Priority Start

- **Guarantees Battery Power For Starting**
- **Simple Installation 3 Easy Connections**

Detects excess voltage drain – due to lights left on, door ajar, radio on, even short circuits – it automatically disconnects the load. When the key is turned on, it automatically reconnects the battery and your car starts. Priority Start is easy to install and is backed by a 3-year warranty. Priority Start fits both side post and top post batteries, hardware included.

88-0104-1 **69.99 ea.**

Schumacher Mity Mite On Board Battery Charger

- **For Cars Not Driven Daily Or During Winter Storage**
- **Compact, 1.5 Amp, 12 Volt, Automatic**

On board charger keeps your battery strong during times of storage or non-use. When it gets a voltage drop of one, it activate and charges your battery to full strength. Shuts down automatically to prevent overcharging. On/Off charging indicator lights tells you what phase the battery charger is on. Two-year warranty.

88-0158-2 **49.99 ea.**

CTEK 800 & 3300 Battery Chargers

88-0331-1

- **Provides Automatic Four-Step "Smart" Charging**
- **Will Never Overcharge Your Battery**
- **Ideal For Occasionally Driven Corvettes**
- **Compact & Weatherproof For In-Car Mounting**
- **Charges Lead Acid Batteries (Wet, MF, Gel & AGM)**

88-0331-1	CTEK 800 Charges From 1-2Ah To 32Ah, 1.2-100Ah	**49.99 ea.**
88-0330-1	CTEK 3300 Charges From 2Ah To 90Ah	**69.99 ea.**

12 Volt Automatic Battery Storage Float Charger

- **Keeps 12V Battery Fully Charged Without Overcharging**
- **For Long Term Storage**
- **Provides Constant, Regulated Current To Keep Battery At Peak Capacity**
- **1 Year Warranty**

88-0329-1 **16.99 ea.**

Portable Jump Starting Power

- Perfect For Away-From-Home Jump Starts
- 12 Volt DC Power Source
- Docking Station for Constant Power
- 8 Gauge, 26" Flex Cables
- Built-in Worklight
- 12 Volt, DC Accessories Port

Now you can have power where and when it's needed. The convenient docking station meets every portable power need. The 9 ampere hour, sealed, lead-acid free battery has the power to operate virtually anything from cellular phones to camcorders and electronic coolers

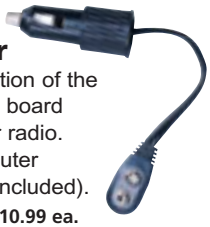
88-0157-2 **44.99 ea.**

Battery Mat

Mats absorb battery acid to protect the battery, holder and surroundings from corrosion. Mats are 8" x 12", trim to fit.

88-0100-1 **5.99 ea.**

Computer And Memory Saver



Many service operations require disconnection of the battery, which may cause failure to your on board computer and will clear all pre-sets on your radio. Avoid this troublesome problem with Computer Memory Saver. 9 volt alkaline battery (not included).

88-0333-1 **10.99 ea.**

Battery Quick Disconnect Switches

- Avoid Short Circuits And Battery Drain

Just twist the handy knob and cut off current at the battery. Simple switch installs in minutes and easily removes to return to original condition. Purchase bypass wire to eliminate hassle of resetting stereo and other ECM functions.

88-0334-1	Top Post Battery	**9.99 ea.**
88-0336-1	Side Post Battery	**11.99 ea.**

Side Terminal Battery Wrench

Ratcheting box wrench features an insulated handle and nickel plating for faster, safer disconnection.

88-0332-1 **5.99 ea.**

OPTIMA® Batteries

- Great For High Watt Demand Electrical Systems
- Won't Leak Like Stock Batteries
- Spiralcell® Technology
- 750 Cold Cranking Amps

See Website For Ordering

Competition Tire Gauge

- Easy-To Read Gauge

This deluxe model has a hose fitting and features a quick bleed valve for quick pressure setting, 0-60 PSI.

88-0181-1 **44.99 ea.**

Gorilla Power 4-Way Extend Lug Wrench Tool

Use the wrench that provides 200% more torque than a standard lug wrench. The 21" telescoping handle extends for extra torque… collapsible for easy storage.
Includes two sockets for 17m/19m and 3⁄4"/13/16".

88-0156-1 **23.99 ea.**

Emergency Tire Repair And Inflation Kit

- Includes Tire Sealant/Repair Fluid With Hose & Valve
- High Quality, Compact Air Compressor Runs Off 12 Volt Lighter Socket
- Stows In Hard Plastic Case For Easy Storage In Trunk
- A Must For Roadside Emergencies

88-0168-1 **79.99 kit**

Tire Inflator

- Plugs Into Cigarette Lighter
- 260 PSI

The fastest and most durable we've tested. Lightweight and protected in a heavy-duty case. Full Size motor and external fan for hours of non-stop performance. Includes gauge, 11-foot cord, on/off switch and light.

88-0163-2 **79.99 ea.**

Heavy Duty Air Compressor

- Plugs Into Cigarette Lighter
- Inflates Tires Twice As Fast As A Standard Compressor
- 7-Year Warranty

TruckAir delivers twice as much power and inflates twice as fast as a standard compressor. This compact unit will run 8 hours non-stop. The extra-long power cord makes it especially convenient for larger vehicles, and can be plugged right into your cigarette lighter! Rated at 275 PSI and comes in it's own rugged carrying case with inside storage space for all of it's components.

88-0162-2 **79.99 ea.**

Dual Master Cylinder Brake Pressure Bleeder

- **Bleeds Brakes Like The Professionals**
- **Pressurized Brake Fluid Forces Trapped Air From The Brake System**
- **Fits All Dual Chamber Master Cylinders**

Finally an affordable and easy-to-use brake pressure bleeder for the do-it-your-self mechanic is now available. This tool uses air pressure to force brake fluid through the system during the brake bleeding process. Pressurized fluid forces all the trapped air in the hydraulic system out, providing the most efficient way to have a firm brake pedal. **This kit will work on any dual master cylinder and eliminates the need for a second person during the bleeding process.**

88-0309-1 **74.99 ea.**

Brake Pressure Bleeder Adapter

- **Adapts Bleeder P/N 88-0309-1 To Work With Original Single Master Cylinder**

49-83 1955-58 **41.99 ea.**

Catch Bottle Kit

- **The Perfect Companion To The Power Bleeder**

These bleeder bottles feature a stainless lanyard to hold the bottle to a suspension component and a return nipple to prevent spills. Set of two 500 ml polyethylene bottles.

88-0311-1 **74.99 set**

Power Extractor

- **10 Quart High Density Polyethylene Tank (Resistant To All-Chemicals)**
- **Chemical Resistant Tubing**
- **Integrated Dual Vacuum/Pressure Gauge**
- **Firm Polyethylene Tube For Oil Changing**
- **Flexible Tube For Brake Bleeding**

Allows easy evacuation of engine oil, transmission fluid, brake fluid and other vehicle fluids. Pumping the integrated hand pump creates a vacuum in the tank and fluid is pulled into the unit through the attached tubing. Comes with dipstick tube for oil changing and stretchable tubing for vacuum brake bleeding.

88-0310-1 **74.99 ea.**

Vacuum Brake Bleeders

88-0167-1

Make brake bleeding a one man job. The vacuum reservoir draws air out of the caliper, collecting it and excess fluid for mess free operation. Step-by-step instructions included.

88-0166-1	Standard Bleeder	**49.99 kit**
88-0167-1	Heavy Duty Metal Bleeder w/Case	**89.99 kit**

Master Cylinder Bleeder Tool

- **Removes All Air From Master Cylinder For Proper Braking**

Simple to use and makes certain your master cylinder is ready to install. This tool takes less time and is a more effective way to purge the system of air.

88-0363-1 **12.99 ea.**

175 Piece Socket & Wrench Set

Wrench set is supplied in a 20-1/2" x 14-1/2" molded storage case with a convenient flip-out carrying handle. The wrenches are made of forged steel and the sockets have handy rapid access indexes. This set carries the tools most commonly used on your Classic.

88-0328-1 **59.99 set**

100-Piece Industrial Bit Set

- **The Handiest Tool Bit Set Ever**
- **All Bits Fit 1/4" Hex Driver**

88-0114-1 **21.99 set**

Torque Wrench Set

1/2" drive, reversible wrench features an easy to use clicker type register. Measures from 10 to 150 ft./lbs. or 1.4 to 20.7 m/kg. Includes a 4" extension, 1/2" to 3/8" drive adapter and molded plastic carrying case. Manufacturer's lifetime warranty.

88-0155-1 **42.99 set**

Ring-Style Hose Clamp Tool

- Installs/Removes Original Corbin Type Hose Clamps
- Fits Radiator & Heater Hose Clamps

88-0369-1 13.99 ea.

Heavy-Duty Harmonic Balancer Puller Tool

- Properly Removes The Harmonic Balancer From The Crankshaft
- Four-Slot Heavy-Duty Yoke
- Fits Small Block, Big Block, 6-Cylinder & Other Engine Types
- Long 7-1/2" Center Screw Changeable Flat Or Pointed Tips

88-0110-1 25.99 ea.

Distributor Wrench Tool

- Allows Easy Access To Distributor Hold-Down Bolt
- Fits 1/2 And 9/16" Bolts
- Use By Hand Or With 3/8" Drive Ratchet

88-0115-1 11.99 ea.

Pitman Arm Puller

- Removes Pitman Arm From Steering Box
- Easy To Use – No Hammering
- Forged Heat-Treated Steel • 3/4" Hex Drive

88-0111-1 20.99 ea.

Heavy Duty Steering Wheel Puller Tool

- Two-Slot Heavy Duty Forged Yoke
- Includes Fives Sets Of Side Bolts: 5/16"-18, 5/16"-24, 3/8"-16, 1/4"-28 & 8mm-1.25

88-0109-1 25.99 kit

Bearing Packer

Place the bearing between the cones, tighten and apply grease thru the fitting. Old grease is forced out while new grease is evenly injected into the bearing.

88-0153-1 13.99 ea.

Brake And Fuel Line Flare Nut Wrenches

- Set Includes Three Wrenches: 3/8" x 7/16", 1/2" x 9/16", 5/8" x 11/16"

88-0107-1 18.99 set

Brake Spring Pliers Tool

- Remove/Install All Drum Brake Springs & Shoes

88-0106-1 7.99 ea.

Small Rivet Tool Set

For use on items like vent doors & heater plenums

88-0365-1 33.99 set

Emergency Brake Spring Tool

- Makes Installation & Removal Of Rear Emergency Brake Cable Easier

88-0117-1 6.99 ea.

Tube Bending Tool

- For Bending Brake & Fuel Lines
- Will Bend 3/16", 1/4", 5/16" & 3/8" Tubing

88-0113-1 14.99 ea.

Brake Line Double Flaring Tool

- Allows You To Shorten & Properly Re-Flare Brake Lines
- Hardened Bar Assembly With 1/4", 3/16", 5/16" & 1/2" Flaring Dies
- Will Also Flare Metric Tubing

88-0108-1 37.99 kit

Front End Suspension Fork Tool Set

- Specialized Forks For Tie Rods, Ball Joints & Pitman Arms
- Interchangeable Handles For Hand Use Or Air Hammer

88-0105-1 39.99 set

Windshield Wiper Arm Removal Tool

- Allows Easy, Safe Removal Of Wiper Arms
- No More Prying On Your Valuable Car With A Screwdriver
- Helps Prevent Paint Damage

88-0112-1 14.99 ea.

Weatherstrip Removal & Installation Tools

- 4-Piece Kit

Tools assist in removal of clips, old glue and adhesive and installation of new weatherstrip.

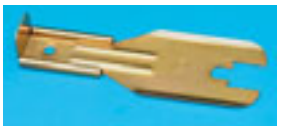
88-0116-1 24.99 kit

Door Panel Removal Tool

- Helps Prevent Damage To Panel & Retaining Clips

88-0120-1 12.99 ea.

Inside Handle Clip Tool



- Use On Inside Door & Window Handles
- Removes The Small Retainer "C" Clip

88-0368-1 3.99 ea.

- 4 Oz. Tube • Black In Color

88-0268-1 Cannot Ship By Air **18.99 ea.**

POR-15® Gas Tank Repair Kit

- Ideal For Saving Metal Tanks With Minor Leaks
- Easy To Use

The POR-15® kit out performs ordinary kits because it is a complete kit that goes to the root of leaks and bonds to the metal whereas other products simply cover the leak. The kit includes TankClean™ to remove gum, sludge and varnish, MetalReady ™ to remove rust and prepare the tank for sealer, U.S. standard Tank Sealer™ to permanently seal the tank and Fuel Preservative And Stabilizer to keep fuel fresh and fuel systems trouble-free. The tank must be removed from the car to perform the repair.

88-0267-1 Cannot Ship By Air **79.99 kit**

Cannot be sold to California or Canadian customers

Rear Axle Gear Lubricant

GM's "special formula" gear lubricant is a must if quiet, life long service is expected! Use 2 containers per car.

88-0322-1 **19.99 ea.**

Positraction Differential Additive

Specially formulated by GM to stop the chattering and clunking frequently encountered in positraction rear ends. Use 1 container per car. Cannot ship by air.

88-0321-1 4 oz. **13.99 ea.**

Calyx® Exhaust Manifold Dressing

To keep your cast iron exhaust manifolds looking concourse-prepared perfect, use Calyx® Manifold Dressing. It applies with a flannel cloth and polishes to a silver shine in seconds. After the manifold is prepared with Calyx®, apply when necessary, very little upkeep is required. Application of the dressing does not require removal of the manifolds. Calyx® Manifold Dressing will not burn and is non-toxic. One container, 3 ounces, will do up to 3 sets of cast iron exhaust manifolds.

88-0260-1 **18.99 ea.**

40 Below Coolant Additive

- Stops Overheating
- Reduces Water Temperature

Instant results. Add 32 oz - 64 oz per 4 gallons of water (or coolant). Product does not need to be applied every time the system is flushed, but 64 ounces are needed to reduce temperatures 40°. Perfect for racing, towing and daily drivers with air conditioning.

88-0206-1 32 oz. **24.99 ea.**

Pro Blend Automatic Transmission Fluid Additive

Reduces transmission wear by reducing metal to metal friction. Reduces transmission fluid temperature up to 57 degrees. Dramatically improves shifting

88-0205-1 **10.99 ea.**

Cannot ship by air.

Water Wetter

- Reduces Coolant Temperatures

A unique wetting agent for cooling systems, Water Wetter reduces coolant temperatures by as much as 20 degrees Fahrenheit. It can be added to new or used antifreeze to improve the heat transfer in your cooling system. Water Wetter also reduces scale buildup in cylinder heads for better cooling and keeps water pump seal lubricated for longer life. It also provides excellent corrosion protection for modern cast iron, aluminum, and brass cooling systems.

88-0191-1 12 oz **10.99 ea.**

Fuel Fresh Multi-Functional Gasoline Additive

- Prevents Gum & Varnish Formation

Fuel Fresh is effective for safe storage protection up to 24 months. One self-measuring bottle treats approximately 200 gallons for everyday use, and 100 gallons for storage. 32 oz. Cannot ship by air.

88-0219-1 **10.99 ea.**

RAGGTOPP Cloth Convertible Top Protectant

- Ideal For Protecting New Tops
- Renews & Extends The Life Of Older Tops

Ragg Topp is for the top cloth and plastic windows of all convertible tops. Ragg Topp just sprays on to keep water, oil and stains off the top. It also provides UV protection and can be reapplied as needed.

88-0252-1 14 oz. **19.99 ea.**

Cannot ship by air.

Cloth Convertible Top Care Kit

This kit will protect and preserve your costly cloth top from weather as harsh as northern winters. A two-step process first cleans and deposits a powerful ultraviolet inhibitor then the water-proofer will extend the life of your top and improve color retention. The kit also contains non-abrasive plastic cleaner/polisher to help prevent hazing and yellowing of rear windows.

88-0200-1 **54.99 ea.**

Lexol Vinylex Protectant

- Cleans & Protects
- Works Great On Vinyl Interiors & Trim
- Nourishes Vinyl, Rubber & Plastic Surfaces
- Penetrates Below Surface Layer To Revitalize Underlying Plasticizers, Thereby Reducing Cracking

88-0235-1 **11.99 ea.**

Plexus Plastic Protector

This stuff was originally developed for use on expensive aircraft windshields, but a funny thing happened. People realized it worked great on all kinds of plastics. It cleans the surface and leaves a shiny, protective layer of wax to guard the vulnerable, porous surfaces. Also works great on plastic-based acrylic paints and clear coated aluminum wheels.

88-0261-1 13 oz. Spray **14.99 ea.**

Connolly Hide Care

Hide Care is a concentrated cleaner that feeds the leather to achieve a rich, polished finish, and to help prevent cracking. Great for vinyl, as well.

88-0232-2 13 oz. **26.99 ea.**

Connolley Leather Care Kit

The leather care kit contains leather cleaner (17 oz), and leather conditioner (10 oz). Specially blended with lanolin conditioners that will penetrate and soften all the leathers.

88-0233-2 **59.99 kit**

Autosol Metal Polish

Bring out the shine and luster in aluminum, copper, magnesium, and brass with this polishing paste. Goes on and comes off quickly and easily.

88-0199-1 **7.99 ea.**

P21S Chrome Polish

A unique multi-surface polish specifically formulated for the variety of surfaces found on today's automobiles. P21S Chrome Polish and Finish Restorer easily renews badly tarnished metals to a brilliant shine, yet remains mild enough to use on paintwork and plastics.

88-0224-1 3.56 oz **72.99 ea.**

P21S Paintwork Cleanser

This thick gloss-enhancing liquid removes water acid spots, swirl marks and other minor imperfections without scratching. Easy to apply without leaving powder residue; ideal for all modern clearcoats.

88-0221-1 11.8oz **15.99 ea.**

P21S Window Wash Boost

High performance detergent eliminates dangerous windshield streaking. Easy to use. Concentrated mixture makes 6-1/2 gallons.

88-0220-1 18oz **29.99 ea.**

P21S Concours Paste Wax

Give your car the ultimate concours shine in minutes! A rich blend of pure Brazilian #1 yellow carnauba and beeswax delivers a dynamite shine that lasts and lasts. A paste wax that's virtually as easy to use as liquid, P21S wax goes on and comes off with incredible ease and no powder residue.

88-0222-1 6.2 oz. **33.99 ea.**

P21S 100% Carnauba Paste Wax

P21S breaks the 'carnauba barrier' with its 100% carnauba-based Paste Wax.

88-0223-1 **54.99 ea.**

P21S Polishing Soap

The power of a polish, with the ease of a soap. Wet the sponge, rub it across the soap, scrub, then rinse with water. Use on chrome, stainless & aluminum to remove rust, oxidation and dullig in seconds!

88-0225-1 10.6oz **10.99 ea.**

Zymol Concours Glaze

For those who demand "show-car" gloss and depth of shine.

88-0226-2 8 oz **179.99 ea.**

Zymol Glasur™ Glaze

The Glasur Glaze contains 56% Brazilian Yellow Carnauba Wax (100% by volume), and other natural oils and ingredients to bring out your car's paint finish.

88-0230-2 8 oz **101.99 ea.**

Surf City Garage Car Care Products

- **Specifically Formulated For Classics And Muscle Cars**

88-0245-1	Barrier Reef Carnuba Wax, 8 oz.	**13.99 ea.**
88-0242-1	Beyond Clay Cleaner & Polish, 8 oz.	**15.99 ea.**
88-0240-1	Beyond Black Tire Dressing, 24 oz.	**15.99 ea.**
88-0239-1	Dash Away Interior Detailer Spray, 24 oz.	**10.99 ea.**

Zaino Z-18 Clay Bar

The small clay bars remove imbedded contaminants from the paint which cannot be removed using conventional methods. Clay Bar is safe for all paint finishes.

88-0340-1 **21.99 ea.**

Zaino Z-7 Car Wash/Clay Bar Lubricant

Use as a lubricant for use with Z-18 Clay Bar.

88-0339-1 **10.99 ea.**

Zymol Field Glaze

When your car needs a quick complete waxing or a touch-up between waxing. Simply mist a little on a clean car, let stand 30 seconds, and buff off with a cloth. Great way to remove fingerprints.

88-0231-2 8 oz **23.99 ea.**

Zymol Titanium Wax

Contains mixture of yellow & white carnuba for higher level of shine and protection.

88-0227-2 **74.99 ea.**

Zymol Carbon Wax

Great for medium and dark colored paint...37% carnuba for better UV protection.

88-0229-2 8oz **54.99 ea.**

Zymol Creame Wax

For lighter colored paint. 33% yellow carnuba combined with coconut and banana oils for that wet look.

88-0228-2 8oz **54.99 ea.**

Interpreter Service

Interpreter Service available for non-English speaking customers, call 1-321-269-9651 and ask for interpreter assistance.

Classic Chevy International, An Eckler's Company Accepts Credit and Debit Cards, Checks, Money Orders and C.O.D.

Classic Chevy accepts first party, preprinted checks from U.S. Banks with your mail order. **C.O.D.** method of payment applies only to shipments within the Continental U.S. Classic Chevy reserves the right to request a deposit on large orders. $10.99 C.O.D. fee will be applied.

Classic Chevy Gift Certificates

Let them make their own choice with an Classic Chevy gift certificate available in any denomination.

Return Checks Policy

A $25.00 returned check charge will be assessed for all checks returned for insufficient funds.

Limited Warranty

Classic Chevy will not be responsible for any damage or loss caused by delays, failures or other consequential damage, nor for labor, transportation or any other charges incurred in the replacement or repair of a defective item. Classic Chevy accepts no responsibility for any consequences resulting from installation of any parts.

Returns

To be eligible for return, the product must be in like-new condition, in original packaging and accompanied by a copy of the invoice. Special order parts are non-returnable.
Product must be received within 30 days of the date of the invoice to be eligible for a full refund. Products received within 31 to 60 days are subject to a 25% restocking charge. No returns allowed beyond 60 days of invoice date. All returns must be sent prepaid. It is suggested to insure the returned item for its full value to protect against loss. Allow up to 3 weeks from the date of shipment for processing refunds, credits and exchanges.

Package Protection Plan Rates

Eckler's allows total peace of mind by eliminating any hassle or risk in the event of loss or damage of parts during shipment. If a problem arises, call our Customer Service representatives for a quick resolution.

Up to - $100	add	$.95

Same Day Processing Only $3.95

Classic Chevy standard U.S. order processing time is 24 hours. If you need your order processed same day, call us Monday thru Friday before 1:00 p.m. (EST) and request same day processing. For just $3.95 we'll provide special processing of all in-stock parts through the warehouse same day.

Next day delivery is available, see Express Shipping requirements below or call our Sales Representative for rates.

Need It Fast? Use EXPRESS SHIPPING!

Utilize Express Shipping, U.S. only, and have your order delivered the next business day or day after. Express Shipping is limited to in-stock, non-oversize items with a total order weight of less than 20 lbs.
Add $14.99 to Shipping and Handling Rates for two-day delivery.
Add $24.99 to Shipping and Handling Rates for next day delivery.

For next day delivery of oversize parts and heavier orders, call our Sales Representative for rates. Orders must be received by 1:00 p.m. EST.

Shipping and Handling Rates

Rates apply to ground service shipping within the 48 contiguous states, excluding truck shipped parts. Rates for Alaska, Hawaii and Puerto Rico may vary. International shipping rates are calculated on weights and dimensions, call for estimate.

Orders up to $50.00	add	$9.99
50.01 to 100.00	add	14.99
100.01 to 200.00	add	19.99
200.01 to 400.00	add	26.99
400.01 to 600.00	add	33.99
600.01 to 800.00	add	37.99
800.01 to 1000.00	add	41.99
Over 1000.00	add	45.99

▲ Symbol designates part has shipping surcharge due to heavy weight or oversize dimensions. Two symbols designates the part is a larger oversize 2 box. Add $8.99 to above Shipping and Handling Rates for each symbol.

FedEx Delivery Area Surcharge - $1.75 per package residential /$1.25 per package commercial addresses. Please note: One of the two applicable FedEx surcharges will be added to your shipping & handling charges for zip codes FedEx designates as less accessible or to less populated areas.

Prices Subject to Change

During the length of time our catalogs circulate, the price or availability of items sometimes changes without notice. While every effort is made to ensure accuracy, Classic Chevy is not responsible for errors or omissions in this catalog.
